2. Note: The above information was confirmed [Redacted] [Redacted] estimated [Redacted] number of tank, artillery and infantry units concentrated in the ONKDRUF area in early June 1949 [Redacted] 25,000. The units included troops from the military posts of WEIMAR (M 51/S 57), JENA (M 51/J 66) and GLAUCHAU (M 51/K 35).

3. Comment:

The report confirms previous information according to which troops (presumably the bulk) of the 39th Gds Mdz Rifle Div and the 20th Gds Mecz Div were concentrated at the ONKDRUF troop training grounds in June 1949. Since troops from GLAUCHAU were mentioned, component units of the 220th Gds Hv Tank SP Regt apparently were there, too.
